SECTION 4

APPLICANT'S AFFIRMATION & AGREEMENT: I affirm that I have read and understand, and that I have agreed to and I am bound by all NHRA rules, regulations and agreements including, but not limited to, those contained in the applicable NHRA Rulebook, with specific reference, but not limited to the rules regulations and agreements contained in the Administrative Procedures and Appeals Section of the applicable Rulebook which are incorporated herein by reference. I know that the NHRA Rulebook, including amendments, is available to me online. I agree that participation in any and every aspect of the sport of drag racing is a privilege, not a right, and I wish to participate in accordance with all of the foregoing. I further affirm all of the following: Drag racing is a dangerous sport. There is no such thing as a guaranteed safe drag race. Drag racing always carries with it the risk of serious injury or death in any number of ways. This risk will always exist no matter how much everyone connected with drag racing tries to make our sport safer. Although NHRA works to promote and enhance the safety of the sport, there are no guarantees that such safety measures will ensure my safety. I as the participant always have the responsibility for my own safety, and by participating in drag racing, I am accepting all risks of injury, whether due to negligence, vehicle failure, or otherwise. If at any time I do not accept these risks, I will not participate in drag racing. I understand the NHRA Competition license is issued solely for participation in drag racing on NHRA Member Tracks.

APPLICANT'S MEDICAL ACKNOWLEDGMENT: I do hereby state and affirm that I am in good health and physically and mentally able to participate in all the activities associated with competing in NHRA Drag Racing to the best of my knowledge. I understand that drag racing is strenuous, stressful, and includes all of the risks and dangers that face any vehicle racer. I am free of physical and mental impairments that could be aggravated by participating in NHRA drag racing events, and which could place me, my competitors, spectators and others in attendance in danger of harm. I have not concealed any possible physical or mental condition which could place me, my competitors, spectators and others in attendance in danger of harm. Without limiting the foregoing, I state and affirm that I am not subject to any of the following: fainting, loss of balance, hemophilia or any clotting disorder, loss of muscular coordination, seizures, psychosis, or impaired and uncorrected vision. I state and affirm that I have read and understand the following list of medications and/or substances which are not allowed to be used by any participant: certain blood thinners, amphetamines, cocaine, marijuana (cannabis, THC), opiates and phencyclidine (PCP), and that I am not using any of these substances and will not use any of these substances while I am licensed. I state and affirm that if anything in the foregoing Medical Acknowledgement changes, I will not race unless I have contacted NHRA and received permission to do so, and that I will cooperate in providing any information needed for NHRA to make such a decision, including without limitation undergoing a physical examination or other testing.
